

TAILOR MADE DISTRIBUTION

West Redding, CT; April 1, 2008 – Tailor Made Distribution and Sandella's Flatbread Café are pleased to announce the signing of a five year supply chain distribution agreement. This agreement will provide a vehicle to consistently deliver full value through its operations to Sandella's Customers throughout the Country.

Sandella's Flatbread Café is the largest and fastest growing flatbread concept in the World! Founded in 1994 in West Redding Connecticut, Sandella's Flatbread is an upscale, fast casual Café serving premium quality, health-conscious and great tasting menu items served on Sandella's proprietary brick oven flatbread. Sandella's serves the most popular grilled flatbreads, sandwiches, paninis, quesadillas, & salads – all made using our delicious, brick oven flatbread. Please go to www.Sandellas.com for more information.

Tailor Made Distribution was founded in 2007 by forward thinking, Independent Foodservice Distributors to help multi unit operators throughout North America and the Caribbean deliver their concept, the way they see it, to their targeted clientele. This entrepreneurial Company "delivers" for multi unit operators who want to grow in the near term and secure the long term value of their organizations for themselves and their successors. Please go to www.TailorMadeDistribution.com for more information.

"We are excited to undertake our portion of supply chain support for Sandella's operations in support of their target customers," says Daniel Wynn, President & CEO of Tailor Made Distribution. "For a lot of reasons, Sandella's is the kind of operator with whom we have envisioned working during this phase of our development as a user friendly option for multi unit operators. We are eager to grow together."

"We believe that Tailor Made Distribution has come up with interesting and unique ways to help us achieve our business objectives," says Michael Stimola, President & CEO of Sandella's Flatbread Café. "With this agreement in place, we can turn our full attention to growing our satisfied customer base throughout the Country."
